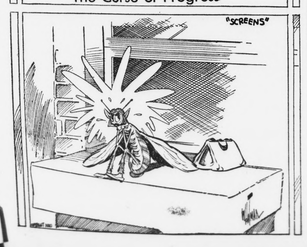
The Curse of Progress



Leadership

"Are you a political leader?"

"I am," said Senator Sorghum, "but I'm not a political boss."

"What's the difference?"

"A political leader is like the drum major who makes a graceful demonstration at the head of the parade. But he may not know where he's going until the boss tells him the line of march."

Modernist

"I'm glad you never use profanity!"

"Profanity has become obsolete," said Senator Sorghum. "It has been overworked until it sounds merely like an out-of-date form of dialect."

It Worked!
